

Mamie Shepherd

Ken,

Thank you so much for the beautiful guitars! They made it here safely, and I have already passed some along to our Music Therapy program. We have some in the studio for visiting talent to

autograph and everyone is very excited  
about them! I can't thank you enough!  
This added so much to our studio and  
hospital. We greatly appreciate your  
generosity.

I will try and get pictures to you soon.

Thank you again and again!  
Amie Seper
