Chinn Guitar Project
Ken Chinn
404 Lakewood Dr
Longview, TX 75604

Dear Ken,

Thank you for the 5 guitars that you donated to our music therapy department that you recently donated to Seattle Children's.

Gifts of items and services have always played an important role in helping us give kids the very best care. Early in the hospital's history, farmers contributed their surpluses to the hospital pantry, schoolchildren collected homemade jams and jellies from their neighbors and homemakers sewed bed linens.

Today that same spirit of compassion and generosity lives on through people like you.

Thank you for making a difference in the lives of our children and their families. Please know that all of us at Children's are grateful for your donation to enhance the care and comfort of our patients.

Very sincerely,
Thomas N. Hansen, MD
CEO
