

Spring Hill Independent School District

March 31, 2014

To Whom It May Concern:

The students at Spring Hill Primary have been fortunate to be the recipients of ten guitars donated to us by the Chinn Guitar project. The music teacher is working with second grade students to include the guitars in their end-of-year awards ceremony and program.

We appreciate so much the generosity of the Chinn Guitar project. Our students are growing in their music skills. Research proves that student learning in the arts carries over to all academic areas.

Sincerely,

A handwritten signature in cursive script that reads "Peggy Mayfield".
